EVAN

Plafón circular de metal con difusor de metacrilato, su orinal diseño y construcción genera un efecto aureola en su contorno hueco, con tonos de color a elegir entre gris, naranja y beige. Es un plafón extraplano, equipado con la última tecnología de PCB LED, con la opción de doble encendido.

EVAN

This “must-have” design is one of our designs based on useful light idea and simplicity, enhancing a lighting halo with the edge shadow. A basic flush surface ceiling light with pmma diffuser and LED technology.
